## **FVC Photo Contest: Capture the Magic of Camp!**

We want to see camp through *your* eyes!

What iconic scenes or unforgettable moments at the Family Vacation Center make your heart smile? Is it your little one at the reptile show? A breathtaking sunset over the lagoon? That perfect marshmallow roast at campfire? Whatever your special FVC memory is, we'd love for you to share it with us!

We're excited to announce our **FVC Photo Contest**, and we're calling on our amazing guests to submit photos that capture the spirit, joy, and beauty of camp life.

### **Here's how to enter:**

1. Choose a photo (or a few!) that shows what makes FVC magical to you.
2. Email your photo(s) to us at [familyvacationcenter@alumni.ucsb.edu](mailto:familyvacationcenter@alumni.ucsb.edu)
3. Use the subject line: **FVC Photo Contest Submission**
4. In your email, feel free to include a short note about why the photo is meaningful to you.

### **What's in it for you?**

The winning photo will be turned into a **custom paint-by-numbers kit**, available for purchase at camp in 2026! Whether it's a dreamy landscape or a heartwarming family moment, your photo could become a piece of art that guests can take home and recreate.

### **Please Note:**

By submitting a photo, you are giving the Family Vacation Center permission to share it on our website, social media, and other promotional materials. Only submit photos that you are comfortable with us sharing publicly.

We can't wait to see camp through your lens!
